Cultivating a Devotional Life

WADE BYRUM & JEREMY WANAMAKER MEETS IN CLC 1 & 2

What role does one's devotional life play in one's overall life as a Christian? What should the main goal be? What are some various guides, tools, and methods we can utilize? What are some practical steps one can take to help foster this? Who are some of the individuals in history that we can learn from? We'll explore these together over a four-week period in an interactive setting.

DON FORTSON & BRENT ANDERSEN MEETS IN CLC 3 & 4

The Why, Who, What and How of Congregational Singing

NATHAN GEORGE

MEETS IN WC-201

Have you ever wondered about the differences between singing worship songs in your car and with 1000 other people on a Sunday morning? Have you heard that there is an audience of One in worship, and is that true? Do you think singing should train your affections? Should worship include lament as well as joy? Let's explore the why, who, what, and how of congregational singing together.

Understanding World Religions

BLAIR SMITH & JAMES ANDERSON

MEETS IN CLC 5 & 6

With different religions often around us in our religiously pluralistic culture, it is increasingly important for Christians to understand the beliefs and practices of our neighbors. What is a religion? What are the major religions of the world and their teachings? How does a Christian evaluate them? These questions and more are engaged as we seek to move from understanding to faithful engagement. Join us in an overview of Hinduism, Buddhism, Chinese Religions, and Islam.

The New City Catechism

(King's Community)

GINNY JOYCE, AARON MAYES & TIPHANY SPECK

MEETS IN WC-105

The King's Community is a class designed for those with special learning needs or disabilities, but open to any who want to get to know and learn with this wonderful community in our church. Team teachers use a curriculum involving the five senses and a variety of activities. Distinctive features of this class include caring buddies who facilitate individualized learning, visible encouragement, and the extensive use of music for worship, scripture memory, missionary stories and learning fun. This trimester we are studying and learning biblical doctrine through *The New City Catechism*.

Redemptive History:

The Story of the Everything in Four Words

(Middle & High School Youth)

CCYM STAFF

MEETS IN THE LOWER CLC

If someone asked you to explain the entire Bible in one paragraph, or just one sentence, could you? How about just four words? Redemptive History (sometimes simply called "Biblical Theology") is the study of the whole story of God's work in the world as it is progressively manifested (or revealed) over time. Christians typically summarize this story in 4 parts: Creation, Fall, Redemption, and Restoration. This summer, CCYM will be looking at each of these categories in Scripture (through both teaching and guided Bible study) to discover and discuss what God has done in history, what it means for us here today, and where everything is headed.
