

INSIGHTS INTO THE LIFE OF CHRIST
Christ Covenant Church Sunday School Class – January to April 2023
Dr. Paul E. Engle

The purpose of this course is to provide insights into the earthly life and ministry of Jesus of Nazareth as recorded in the four canonical gospels. We'll study why we can trust the four Gospels and then examine key events in Christ's life beginning with his virgin conception/birth and ending with his promise of a second coming. We will also do a fresh overview of his miracles, parables, prayer life, and teachings. Along the way we'll look at Christ from theological and apologetic perspectives showing evidence for how he uniquely stands apart from every other religious leader and world leader. The class will be illustrated by hundreds of slides. The goal is to deepen and enrich our understanding, love, and desire to worship and follow Christ daily.
