Electrician & Solar Power  
Systems CRM

### PRAY

- 1) Jordan electrically maintains the 60+ buildings at the JAARS center, allowing Bible translations, video and audio translations, and much more to continue running smoothly. Pray for him in this position.

This will allow Lauren and I to serve together as Wycliffe members. If we do not reach this goal, Lauren will need to resign from Wycliffe (I'll still be working full time), and we'll need to find a way to make up these finances outside of Wycliffe.
- 3) Pray for the facilities electrical team as we are rewiring "Elim House" here at the JAARS center. This house is used by missionaries coming in and out of the country as they are working.

## PRAY

1) I would ask for your prayers for our ten-person team doing exegetical research for Bible translation; nine of them are doing the research, and I am editing their finished work, plus doing my own project in the book of Numbers when time allows. Our team includes one German, one Finn, and one Korean. Our oldest member is 93 years old, and still going strong, updating Exegetical Summaries that were done several decades ago with more recent scholarly commentaries. Several of our team are volunteers, and have trouble devoting time to the task because of the pressures of earning a living. Three also have young children, or children on the way, who need time and attention. You could pray that we could all be able to devote sufficient time and energy to this task, so we can make progress and also do it well.

2) We ask for your prayers for our son Michael, who lives near Arlington, Va., and is in a doctoral study program in music at George Mason University. He also teaches a few classes there. His car has had ongoing transmission problems, and is now in the process of having a fourth replacement transmission in the last three years installed. It has been a struggle to get repair shops to honor warranties and also do quality work, and it has been very costly. He, and we, need for that car to be working reliably.

- 2) So very thankful for the ladies who volunteer from Christ Covenant Church who desire to use their talents and gifts for His glory!
- 3) Very thankful for the life changing resources we have that change lives of those who have lost a baby due to Miscarriage, stillbirth, and early infant death or those who have dealt with infertility and/or those who have had an abortion in their past.

**Vaughn and Joni Volious**  
Campus Outreach Area Director  
Columbia, SC

#### PRAY

- 1) Please pray for Vaughn as his seminary classes start back up. Pray for his wisdom in managing his time week-by-week, and pray he learns and grows in such significant ways this semester--that it would only deepen his own walk with God and enrich his work further on the campus.
- 2) Please pray for 8-10 key students leaders at Benedict to take ownership of the movement and to begin multiplying their lives (aka sharing their faith and thinking for the spiritual growth of others). This is a crucial turn in a new movement that has to happen for our work to build, just like in the ministry of Jesus! So pray God might even call Jaedin, Rob, Femi, and others to take the lead!

3) Please pray for Joni's discipleship of our 14 staff women to be effective and Christ-centered! Pray for her wisdom in majorly planning for the development of each of our female staff, so that each of our campus movements grows even healthier and stronger, as the Lord's wills!

- 4) Please pray for Vaughn's connections on Benedict's football team--pray God would continue to open doors there for even more personal ministry, if it's His will, and that Draper might become a believer this semester!
- 5) Please pray for God to give Joni favor as she begins networking in Greek Life at UofSC to start some personal ministry there in the next year. Pray God opens doors and provides at least one major place for her to pioneer some Greek ministry in the fall, Lord-willing.

*Isaiah 52:7*

*“How beautiful upon the mountains are the feet of him who brings good news, who publishes peace, who brings good news of happiness, who publishes salvation. . .”*

**Chris and Savanna**  
Serving in Restricted Area

#### PRAY

- 1) Please pray for our ministry partnerships with churches and families and individuals in the US. Savanna and I are constantly praying for all of our partners (financial and prayer) and we ask that you would join us in asking for God's continued blessings on our relationships with every one of you who encourages and supports our family. We ask that God would bless our relationships for years and years into the future and that He would continue to knit us together from a distance and use us each as iron sharpening iron.
- 2) Please continue to pray that God would bless our relationships that we're developing with Persians and non-Persians in our community. We feel our family's roots sinking further into this place and are excited at the many open doors He has been providing for us to share the story of Jesus with people in our lives. Pray that we would look for more of these opportunities with boldness and trust more and more in the Holy Spirit's movement in and through our lives.
- 3) Please don't stop praying for our Farsi language learning! It's been about a year of study now and we have grown SO MUCH! It's wildly encouraging for us. Our comprehension and speaking are slowly progressing. We are hoping to make 2024 a year of monumental growth in regard to learning this language. We very much value your prayers here!

**Saleem and Joy**  
**Serving in Restricted Area**

**PRAY**

- 1) Please pray for new believers to be free on Sundays to meet for a joint Bible study.
- 2) Please pray for the Lord's grace in introducing new Muslim-background believers to one another into this joint Bible study. Pray that trust, instead of suspicion, would fill their relationships.
- 3) Please pray that we would meet new seekers (specifically women and families) that the Lord is drawing to Himself and that we would faithfully minister the Gospel to them.

*John 14:1-3*

*“Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also.”*

**Bud and Barbara Speck**  
Wycliffe Bible Translators  
Communications Consultant  
Charlotte, NC

**PRAY**

- 1) On January 23rd Bud and I flew out to Fresno CA to assist Sonja and Matt with the care of their boys while they attend a Chick Fil A yearly event in Orlando FL. While in Fresno, we will be able to spend time with Olivia who lives just 10 minutes from Sonja. Bud and I appreciate your prayers that we can serve them well.
- 2) Bud asks prayer for the planning of the June European Churches and Bibleless Consultation in Bucharest Romania. The focus will be on the Roma and Deaf Sign languages in Europe. Invitations have gone out and Bud and Ruben have begun planning in earnest.
- 3) Please continue to pray for God to raise up new team members for the Europe Area Team. At present, it is only Bud and Ruben (the Director). Ruben is in discussion with several individuals. May God raise up those who He has already prepared to serve in this capacity (Ephesians 2:10).
- 4) Bud and I have had frequent sickness since arriving home. This is VERY unusual for us. The last cold or flu we had in Europe was in January 2020. I think our immune system may be down because of all we have experienced and gone through the last 6 months. So much has changed in our life as we packed up our home in Holzhausen and moved back. Bud and I would sure appreciate your prayer for our full recovery from a recent chest cold and God's help in building up our immune system.
- 5) When we arrive back from CA on February 13, we have less than a month before our travels begin up north. We will be speaking at a mission conference and visiting many extended family and friends that we have not seen in years. Again, we look to the Lord to strengthen our immune system and help us to be a channel of blessing to others we meet and visit.

- 3) Please also continue to pray thanking God for all those who are stepping out of the comfort of an established church to establish a new church as a core group.
- 4) Pray for our spiritual health that God would use this season to help all of us bear fruit.
