Youth Fall Retreat

2025 was another demonstration of the Lord's grace to Christ Covenant. His kindness blessed us with new growth, ministries, and staff.

Christ Covenant hosted new ministry events this year like the PCA Women's Conference Made for More, Country Line Dancing Night, and special guests Christopher Yuan and John Piper. Christ Covenant continues to grow in areas of ministry such as our HisAbilities ministry. It's exciting to see HisAbilities' members serving the church on a regular basis. Other examples of ministry expansion are our growing 18/22 ministry to college age students and the formation of a daughter church, Christ Hills.

Kickball Tournament

God is faithful! Every good and perfect gift comes from his hand. God's hand has been wide open to us, abundantly meeting our needs. May the Lord continue to bless Christ Covenant with faithful teaching and preaching of his Word and more opportunities for us to know more of God and make him known.
