An aerial photograph showing the construction of a large, modern building with a dark, curved roof. The building is situated on a cleared, reddish-brown dirt lot. To the left of the building, there are several large, rectangular concrete blocks or foundations. In the background, there are other buildings, a large parking lot, and a road. The surrounding area is lush with green trees and vegetation.

Community Life Center Ground Breaking -2015

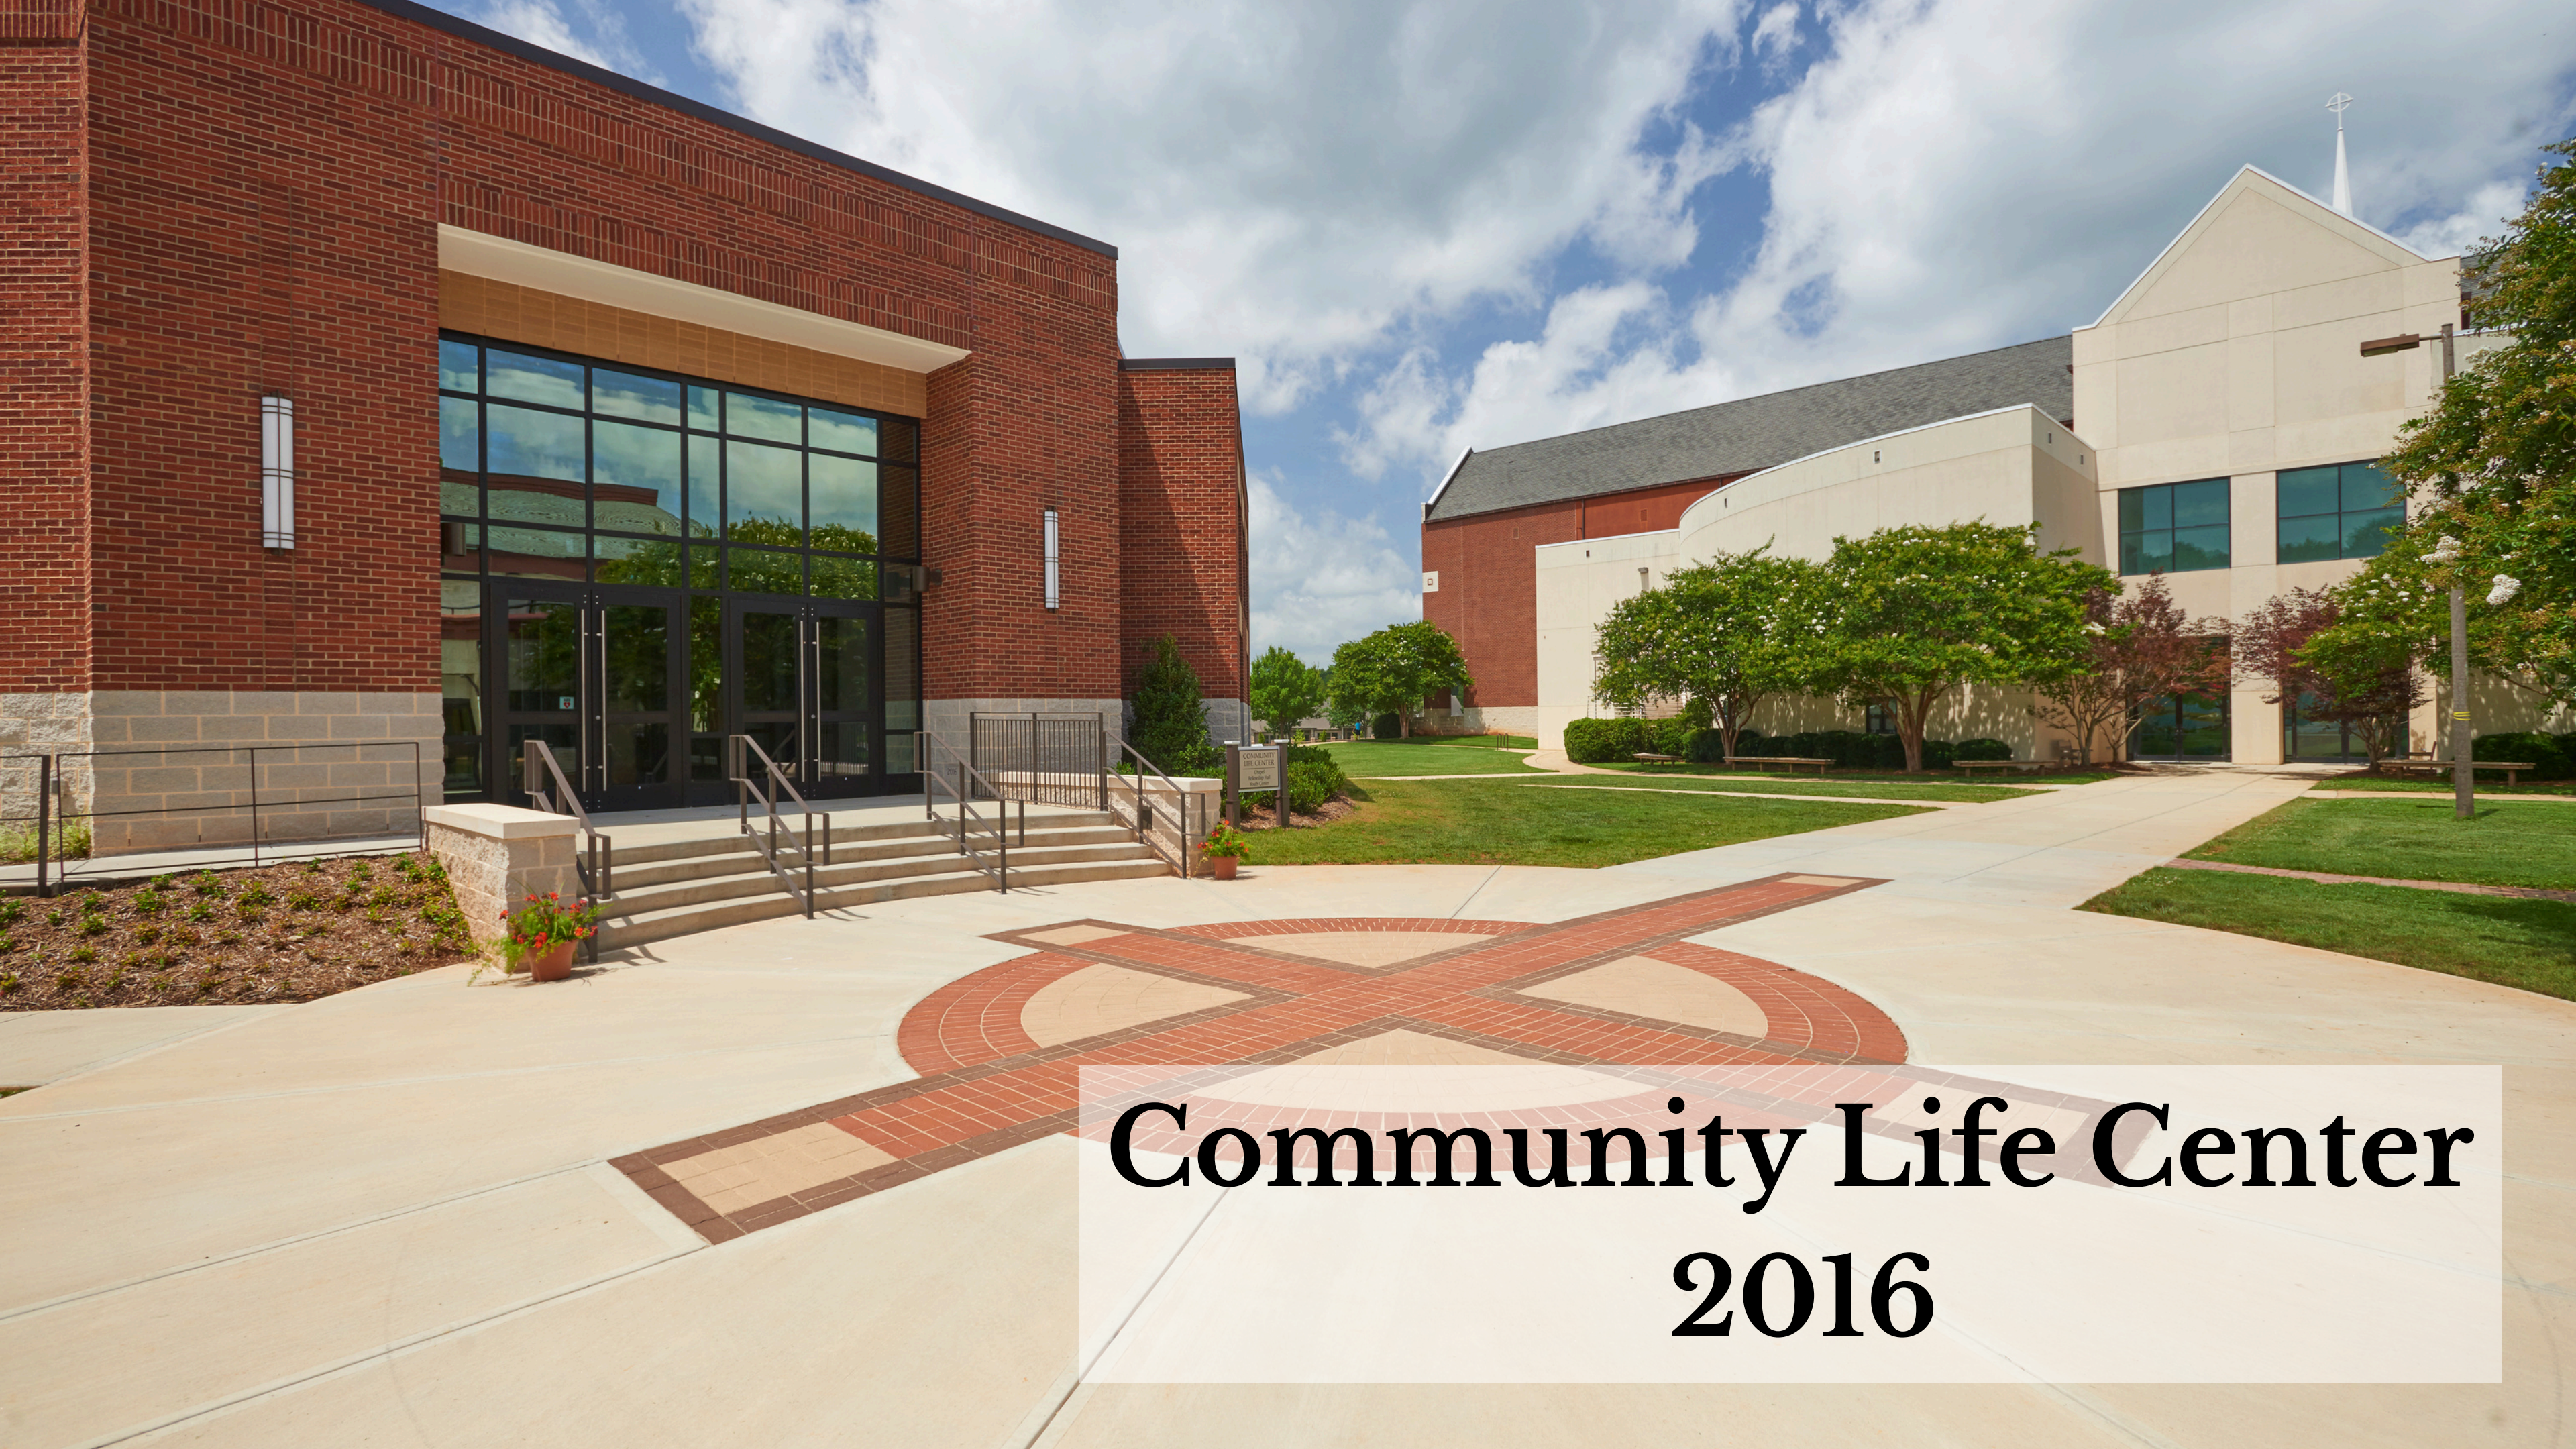

A photograph of a community event where people are signing long white beams on a grassy lawn. In the foreground, a sign on a metal stand reads "Sign your name + a scripture reference if desired". Several people, including children and adults, are kneeling or sitting on the grass, writing on the beams. Some beams are already filled with signatures. In the background, more people are walking around, and a yellow bin is visible on the grass. The scene is outdoors on a sunny day with trees and a building in the distance.

A photograph of a construction site for a building extension. A large, multi-story structure is covered in blue protective sheathing. An orange and yellow boom lift is positioned against the building, with a worker visible in the basket. In the foreground, a chain-link fence runs across the frame, with a pile of reddish-brown mulch or dirt behind it. To the right, a large, leafy tree with white blossoms stands next to a larger, curved building with a grey roof. A black sign with a white graphic of a building tower is attached to the fence on the right. The sky is clear and blue.
