Faith Promise Supported Workers and Ministry Partners

Monthly Prayer Guide

August/September 2026

José and Anna Portillo
Church Planters - Vive Charlotte
Charlotte, NC

PRAY

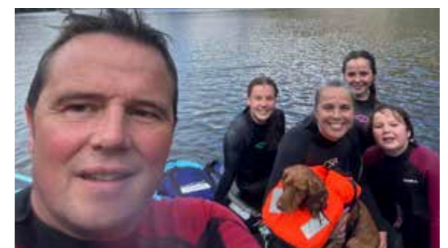

- 1) Pray for Global Outreach efforts as they serve Middle Eastern families in Greece, as they support pastors across Latin America, and as they teach the Bible in members' home countries.
- 2) Pray for the church as they work in the community, leading an inner-city soccer outreach, advocating for women in crisis, training international students, and protecting children from digital dangers.
- 3) Praise the Lord as they celebrate several expectant mothers in the congregation!
- 4) Pray the Lord strengthens the members as they pour out into ministries both locally and globally.

5) Pray that God raises up elders to shepherd and care for our local flock at Vive.

6) Pray for health and strength for the Portillo family as they serve their community through Vive Charlotte.

PRAY

- 1) Please give thanks to God that the renovations at the North Gate Hall are continuing apace. Several weeks ago we moved into the newly finished basement and have been worshipping there for the summer months. It has been something of a squeeze to fit everyone in and we are looking forward to early October when the main sanctuary will be finished.
- 2) Please pray for new families to join Oxford Presbyterian Church. We would especially love to see our Youth Group, which is lively yet small, would grow as families with teenage children join us.
- 3) Please pray for fruit from a recent month of evangelism. We had lots of non-Christians attend and we would love to see them come to faith in Jesus Christ.

Andy and Davinia Young
Church Planters - Oxford
Presbyterian Church
Oxford, UK

PRAY

- 1) Pray for our Muslim Focused Prayer meeting on Monday, 20th September 2026 at 6.30pm. Pray that God will continue to use all of us to share the love of Christ to Muslims boldly.
- 2) Please pray for the booktable ministry in the Town Centre on every Tuesday from 11.00 - 4.00.
- 3) Please pray for us as we are organizing the Muslim Background Believers' (MBB) focus conference on Saturday, 30th Jan 2027. It is led by MBBs and it is for those who are working among Muslims in the UK and beyond.
- 4) Please pray for the volunteers, local churches and believers to become more active to share the good news of Jesus to reach their friends, relatives and neighbors in our town.
- 5) Please pray for the situation in the Middle East, it has been creating strange dynamics at the booktable. The people are captivated by the Middle East news as compared to their own salvation. We would like to engage them in spiritual conversation not into the political situation and wars around the world.

1 Timothy 2:1-3

"First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all people, for kings and all who are in high positions, that we may lead a peaceful and quiet life, godly and dignified in every way."

Vaughn and Joni Volious
Campus Outreach Area Director
Columbia, SC

PRAY

- 1) Pray for God to bring spiritually hungry students across our paths and pray He would call many freshmen to saving faith this year (2 Cor. 6:2)!
- 2) **Pray for our staff's endurance (2 Cor. 6:4-10)**, as these are really long weeks with really long hours and lots of small talk. Pray they would remember WHY they are doing all they are doing and that the Lord would give them vision for who the students in front of them could become if united to Christ!
- 3) Pray for Christ-centered boldness for our new staff and wisdom for our young Campus Directors as we rebuild after multiplying and launching the CO North Florida team from our region this summer (Zech. 4:10)!
- 4) **Pray for Vaughn and I to remain closely yoked to the Lord** and that we would continually seek Him for wisdom in leading and directing our team here in CO Columbia for His glory. **We want to be faithful servants and "under rowers" in His kingdom work (1 Cor. 4:1-5)!**

Daniel and Laura Millward
Director of The Detroit Project
Detroit, MI

PRAY

1) I had the privilege of going to Nairobi, Kenya for 12 days to experience and minister at the Eat African Revival. It was pretty amazing to see what they are accomplishing with the Gospel here. Even in public schools. When I said, we could never pull anything off like that in America, they rebuffed me and said Ye of little faith. If the Lord chooses to move in this way he will. Let us pray for that! And it's not just that many people are hearing and receiving the Gospel, it's that when they do they are beaming with the light of Christ and the glory of God. I've tried my best not to come home cynical, but it is difficult. Even where we are making inroads into many cities with the Gospel, we do not seem to experience the joy of the Lord at this level. Pray for this.

2) Now to the church plants. All is well. Reports of new conversions continue weekly. We are boots on the ground with Rev. Cord Carlin (wife Katie) in Northville/Novi as well as Rev. Kingsley Lai (wife Hanna) in

Windsor Ontario. That's right, we are international now :). Please continue to pray that the Lord would bring new funding for the infrastructure (that non-appealing piece of the project), but I would like to keep getting a paycheck. We are working on two more plants at this time and making good progress. One is in Monroe and the other Saginaw. Please pray the Lord would give us traction there in accordance with his perfect will

Philippians 4:6

"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God."

Frank and Sheree **Serving in Restricted Area**

PRAY

- 1) Travel to a country where we are working for first time pastors conference. Pray we could influence the Presbyterian denomination there with the gospel of grace and the glory of Christ.
- 2) Our son Cameron is getting married to Annie in September. Pray for a blessed and joyful time and for Frank as he officiates the ceremony that he would clearly communicate the gospel.
- 3) Pray for Sheree as she starts a new school year at the preschool in September. Pray for her as she plans curriculum. Pray for the Lord to send new students.

Tim and Jenn **Serving in Restricted Area**

PRAY

- 1) Pray for our new pastoral interns from Ethiopia, Germany and the U.S to grow and be equipped for pastoral ministry during their nine months of training
- 2) Pray for our church members to grow in maturity and for the many attenders that come on Sundays to understand the gospel and put their faith in Christ.
- 3) Pray for an end to the war in the region; pray, too, for church members whose jobs have been affected by the war.
- 4) Pray that we as a family would walk in a manner worthy of the gospel in our home, as we serve in the church, at school, and among our unbelieving neighbors

Ben and Melanie Kappers
Church Planters - All Saints
Reformed Church
St. George, UT

PRAY

- 1) Praise God with us that we have seen people who are new to Christ become part of His church here. We are baptizing one young man next week.
- 2) Praise God for many, many new children in the congregation. One of the recent births was a boy who was born premature. He is doing well, but please pray for continued strength for him.
- 3) Our new ministry assistant has joined us. He will be serving a one year internship focused on outreach and discipleship. He has begun organizing regular evangelism times. Please pray that these are fruitful.

James 5:13-18

“Is anyone among you suffering? Let him pray. Is anyone cheerful? Let him sing praise. Is anyone among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord. And the prayer of faith will save the one who is sick, and the Lord will raise him up. And if he has committed sins, he will be forgiven. Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working.”

Chris and Savanna **Serving in Restricted Area**

PRAY

- 1) Please continue praying for our Farsi language learning and my ongoing, part-time seminary studies.
- 2) Pray for the 3 or 4 new Persians we've had come along to our church the past month that they would get stuck in and come to Christ.
- 3) Praise God that many of the relationships amongst the Persians in our group have been strengthening recently and more trust is building amongst them as opposed to only with me as their “leader”.
- 4) Pray for the Persian group as numbers have been growing the last month and more pastoral issues surface. I need wisdom in how to best steward these relationships and in facilitating smaller discipleship gatherings and various 1-on-1 meetings.
- 5) Please continue praying for our girls by name that they would be brought into relationship with our God quickly and that they would love Him with all their hearts, souls, minds, and strength.
- 6) Pray for Savanna and I as we contemplate coordinating internships and/or intensive trips next Summer (2027).

Matthew 6:9-13

“Pray then like this: “Our Father in heaven, hallowed be your name. Your kingdom come, your will be done, on earth as it is in heaven. Give us this day our daily bread, and forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from evil.”

Shane and Krista **Serving in Restricted Area**

PRAY

- 1) Goodbyes- We leave for our country on Monday the 31st so ask for extra grace for us as we say goodbyes. It's been especially hard for Jesse this summer to say goodbye not knowing when he will see his America friends & family next. Ask that HE would comfort Jesse in this and that we would know how to come alongside him in all the feelings.
- 2) Team Orientation- Sept. 10-14 we will be gathering as a country team to orient ourselves with the Father for this next year together in this country. We will welcome new teammates, cast vision, and set priorities for the upcoming year. Ask that this time would be encouraging and that we would hear from the Father during this time.

PRAY

- 1) Wisdom as I consider taking on leadership for a large ministry project for which I am uniquely gifted. I will only have the capacity for it if I can pass off some of my current audit leadership responsibilities. Just last month, a very qualified individual inquired about working in internal audit with my team. We are in the process of interviewing now. Pray for wisdom if this person is the right person to join our team or not and take on some of my responsibilities. The timing is certainly not a coincidence!
- 2) I will be in Prague in September for our Finance Leadership meetings. Please pray for a smooth trip and spirit-led discussions as we think and plan strategically for 2027. How can we best serve our national staff and ministries around the world? A major topic we will discuss is the use of AI. How can we use it to increase our effectiveness and practice good stewardship of the funds entrusted to us, while using it responsibly?
- 3) After Prague, I will travel to Zurich to help with the wrap-up of an audit. The Swiss ministry is one of our largest, especially regarding the funds and missionaries they send to other countries. Pray that God will give me insight into how to lead the audit team to finish well and for energy for a few intense audit work days tagged on to the end of four intense leadership meeting days.
- 4) Health: For my team member's daughter, who is dealing with significant health issues. For me, as I have a small medical procedure next week.

Travis and Jessica Jones
Rising Adults & Outreach
Director - East Charlotte Pres
Charlotte, NC

PRAY

1) The ECLT Urban Eagles team Travis and Theo (our 11 year old son) started developing/coaching in the spring got their first competitive action this Summer. Street Soccer hosted a summer league in Sailboat Bay Apartments and our team was able to participate giving us lots of touch points with the kids and families over the summer. We are excited to coach and share the love of Christ with these 20 or so, 9, 10, and 11 year olds from the community. Two of the kids on the team are from East Charlotte Presbyterian Church (our 9 year old, Owen, is one of those guys). Pray for trust in relationships to continue to deepen and spiritual curiosity about Jesus to grow within this group of players as we start our Fall season.

2) This summer the Rising Adults (*youth) at ECPC had lots of opportunities to serve in the ECLT community. They were able to volunteer their time and talents at Urban Eagles camp, Community Block Parties, and Vacation Bible School. The longer our youth serve in ECLT the deeper their relationships go with those who live in the community. We are seeing real friendship develop and are praying that out of these relationships the fruit of the Gospel will grow.

3) This Summer was so good! In addition to all the happenings above, we had pool parties, Slip n' Slide Kickball, and cook outs. We also had 3 Bible studies for our youth going through Ephesians, Luke 15, and other scripture passages paired with Brant Hanson's book, *Un-offendable*. These were very edifying for all the leaders and rising adults. These rising adults are navigating all the typical teenage stuff of this day and age and many are facing difficult circumstances. The Word is vital for helping them navigate these life circumstances and growing in faith. Having the opportunity to get in the Word with these young people is a gift. Please continue to pray for us as we dive in to the Word together.

2 Corinthians 4:17-18

"For this light momentary affliction is preparing for us an eternal weight of glory beyond all comparison, as we look not to the things that are seen but to the things that are unseen. For the things that are seen are transient, but the things that are unseen are eternal."

PRAY

- 1) For our community groups as we start a new study and for the unbelievers in these groups.
- 2) For our internal leadership team, which has begun meeting regularly
- 3) For several outreach events planned in our community over the next few months.
- 4) Evangelism and relationship building in our neighborhood.
- 5) Praise for a great women's ministry event this past week.
- 6) Praise for new people coming

Greg and Christie Salazar

PRAY

- 1) Tomi and Miyoko are visiting a 4-year-old boy in a government home periodically. The little boy will likely come to live with them in November if all goes well. Please pray for them. The little boy has been through a lot. They plan to adopt him.
- 2) We recorded our first podcast! We are using it as a model to send to other guests. We hope to record two more in September and launch in late September or early October. The first episode went very well and showed that the concept really works. I will send you a link after we launch so that you can help us get high listening numbers. You can get English subtitles on YouTube. Please pray that we can continue on well and that God will use it.
- 3) We have a client now who seems to have had a forced abortion (because of misunderstanding and a poorly run clinic). Please pray for her to be able to find healing in Jesus. She is calling regularly.
- 4) We are waiting on the final estimate for the renovations of our space and hope to start in mid-October. Please pray that that will all come together well.
- 5) Please continue to pray for the salvation of some past homestays who continue to come to church. Our accountant is continuing on well with her baptism preparation study.

Isaiah 43:1-2

"But now thus says the Lord, he who created you, O Jacob, he who formed you, O Israel: "Fear not, for I have redeemed you; I have called you by name, you are mine. When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not consume you."

PRAY

1) Pray for the Nooksack Bethel Chapel building which should be completed by the end of summer. My hope is to be at the celebration of the opening sometime before Christmas. In addition to the building, Jeremiah Johnny is excited to be a part of the first COHORT meeting that First People's Initiative is hosting in September in Stockholm, Wisconsin. The initial goal is to introduce each participant and share experiences. To cast a vision and start an ongoing movement of native leadership, church developers and church-planters.

2) Pray for the ongoing discussions with the recreational department of the Tohono o'Odham nation. We've submitted our proposal to develop an aquatic ministry at Sells for summer 2027. If this is approved, we will hopefully have a Spring and Summer group deepening our outreach through evangelism and sports ministry.

3) Praise for the birth of Alexander Rose: I am so pleased to announce the birth of my fourth grandson and fifth grandchild, Alexander who was born prematurely on July 8th weighing 5.2 pounds to Luke and Sabrina Rose.
