**Wednesday – Ministries at Christ Covenant Church** – Pray for Christ Covenant's **Merea Ministry**. Merea is a cross-generational group mentoring ministry that seeks to encourage younger women through the experience of older women. Monthly gatherings focus on character and spiritual development and creative activities. Through Merea, younger women have the opportunity to learn life skills, such as gardening, decorating, meal planning, mending and budgeting. Merea mentors use skill training as a platform to build meaningful relationships for sharing life experience and faith stories.

**Thursday – Unreached People Group – Wakatobi in Indonesia:** Pray for the Northern Wakatobi (pronounced, "wah-kah-TOH-bee") people who number 175,000 in Indonesia. Their livelihood is based on either farming, fishing, or boat building, with a focus on growing staple crops such as peanuts, maize, cassava, and sweet potatoes. Many young Wakatobi adults move away from their remote villages in order to find work, as economic opportunities are scarce on their islands. Pray for these young adults that as they leave their isolated islands that they will have ample opportunities to hear the gospel. Pray for dedicated Christian workers who can learn the *Tukang Besi*, North language in order to finish the translation of the Bible. Pray for the Lord to work in the hearts of the Wakatobi people that they would recognize their need for a Savior and have a desire to seek their Creator.

**Friday – Our Local Ministry Partners:** Pray for the **Afghan Refugee Mission Team**, a ministry of Christ Covenant that serves Afghan refugee neighbors by caring for their needs. Pray for Car Care Day that takes place every other month at the Stonebridge church parking lot. Pray for this ministry opportunity as men from both Stonebridge and Christ Covenant work together to provide basic car care services to the Afghan refugee community and others in need who may not be able to afford to maintain their vehicles. Pray for Daniel's brother, Benjamin, who is being detained after becoming a Christian in Afghanistan and had to flee due to persecution for his faith. Pray that the paperwork needed will be submitted on time and that asylum will be granted. Pray for the ESL classes that have begun for the Afghan women. These classes will be held three days a week at different locations. Pray for much fruit from this dedicated time with our Afghan neighbors.

**Saturday – Our Servant Leaders/Our Church** – Pray for our elders, deacons, and pastors as they gather for the Session meeting on Tuesday, September 22. Pray for them to be unified as they discuss various items that pertain to our church. Pray for each man to prioritize time with the Lord and in the Word as part of their day.
