1) Mission to North America (MNA) has seven Mobility Ministries: Disaster Response Ministry, Mercy Ministry, English as a Second Language (ESL) Ministry, Metanoia (Prison) Ministry, Chaplain's Ministry, Ministry to State and Refugee and Immigrant Ministry (RIM). Thankful for the unity and collaborative efforts of these ministries to support one another. Please pray this will continue.

2) We have a new website. Please pray that we will provide just the right information and resources to support PCA churches as they care for their refugee and immigrant neighbor.

PRAISE

1) Please be in prayer for our Elder training that began in October. It will go through at least July of 2027. Please pray that these men will be unified by the Spirit of Christ and in the idea of shepherding His church humbly, lovingly, and completely (though not ordained yet).

2) Please also pray for our upcoming 4th Annual Neighborhood Chili Cookout on Nov. 13. This has been a very well attended pre-evangelism event for us. Pray that the Holy Spirit will use this event to open more doors and more hearts to the gospel of grace through our efforts.

5) I am still in need of permanent housing (at least on this side of heaven!) Ideally, I'm looking for a detached mother in law suite situation (w/ bedroom, bathroom, kitchen & living room) in the Matthews/Indian Trail area, but if that is not available, then I'm also open to having a roommate (if we are of similar age) in an apartment/condo situation.My budget is $900 to $1,000 (not including utilities).I know this is a big ask, but nothing is impossible with my Heavenly Father. Please pray with me that the Lord would provide what is best.

2) It is amazing to see how God brings every Sunday several new people to Gospel Church (a good number of them are non-believers). Please pray for faith in Christ for them and that the worship attendance will continue to increase and that we will see more and more revival both at Gospel Church Munich as well as in Germany and in Europe.

3) Please also pray for outward peace in Germany as some folks from the extreme left would like to bring the violence and destruction from France to Germany (they have a target date of October 31). Please pray that God will thwart their efforts.

4) We are in the process of creating a totally new website and have run into some challenges. Please pray that God will provide the right people who have the expertise and experience so that the new website can go live before Christmas. Pray that God will use this website to bring many more people to Gospel Church and ultimately to faith in Christ.

Also pray for her academic success and perseverance in studying. We thank God that Sophia was accepted at the Technical University of Munich for a 2 year long Masters program which just started in October. PRAY

1) We are hopeful to be at the back end of a challenging season of life, but that is never certain. In the last two years, my five relatives on Kelly's side of the family have passed away, including her mom, dad & grandma. This, compounded with international travel and the general pace of ministry, has left us feeling pretty depleted. Joyful in the Lord, and thankful for his provision, but tired and needing a break. We have time scheduled off in December. Pray for our hearts to continue to give thanks for Christ's steadfast faithfulness, and for physical rest when we get the opportunity.

2) Khula means "grow" in isiXhosa and isiZulu. The Khula Project (KP) is a little over a week when UCT students come together to grow in their faith in Christ and learn how to share the gospel with those around them. Through daily training, students will learn how to articulate the gospel, study the Bible, pray, share their faith, steward what God has given them, and more. They will also have opportunities to practice sharing the gospel, while building Christian community through shared meals, socials, and outings. As staff, these are some of the things we are especially praying God will do in the lives of the students coming to KP:

1) Pray that students would leave more deeply rooted in Jesus, with a stronger understanding of the gospel and a firm foundation in God's Word.
2) Pray that students would not simply learn more about the Bible, but learn how to read it, understand it, trust it, love it, and live according to it. Pray that what they learn about prayer, Scripture, life leadership, and following Jesus would become lifelong habits.
3) Pray that students would grow in both confidence and compassion as they learn to share their faith. Pray especially for our time in Onrus, that God would open doors for meaningful conversations and prepare people to hear the gospel. (Colossians 4:3–4 and Romans 1:16)
4) Pray for deep relationships between students and leaders—for students to be known, encouraged, challenged, and cared for. Pray that the community formed at KP would continue long after the week is over.
5) Pray that students would not only grow themselves, but become people who help others grow. Pray that they would return to UCT, their homes, and future workplaces ready to make disciples, lead others, share the gospel, and live as laborers for the lost world.

PRAY

1) Mr "T" first visited our book table in 2008. Over the years, he has returned regularly, and I have given him an Urdu Bible and various Christian booklets on several occasions. We had many good conversations of various topics especially about the deity of Christ, Trinity and Oneness of God, Mosaic Law and Sharia Law and etc. Pray for the Holy Spirit to work in his heart. Please pray for more opportunities like this Mr "T" where we can build trust, listen carefully, and share biblical truth with gentleness and wisdom.

2) A Muslim lady whom I will refer to as "N". Her marriage is experiencing serious difficulties, and she needs help, guidance, and support. I am planning to meet with her, together with my lawyer friend, to discuss her situation and help her understand the options available to her. We need wisdom, discernment, and sensitivity as we seek to help her. We are particularly concerned about the possibility of a negative reaction from her husband and others within the Muslim community.

3) Mr "I", who is waiting for a kidney transplant once again. He had received a kidney transplant approximately ten years ago. Unfortunately, cancer was subsequently diagnosed in the transplanted kidney, and it has now stopped functioning. We are praying for a suitable kidney donor to be found soon. Over the last ten years since we have known him, he has heard the GoodNews of Jesus and experiences the love of Christ through his followers like us. He considers me as a brother and his is like a family to us. Pray one day he will come to know Christ as his saviour.

FAITH PROMISE

Matthew 9:37b-38: *"The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."*

Faith Promise giving is the **primary means by which CCC supports international missions outreach as well as local, regional and national outreach**. This is our second highest priority of giving to the church, after the tithe.
